### **North Collin Water Supply Corporation selects Harris' inHANCE iONE Financial Management Solutions**

North Collin Water Supply Corporation located in Melissa, TX has selected Harris' inHANCE, a subsidiary of Constellation Software Inc., to implement its iONE Financial Management Solutions.

North Collin WSC currently serves approximately 2,100 water customers. "North Collin WSC is a progressive, conservation minded operation looking to increase employee productivity, reduce costs and provide a return on their investment" reports Hope Close, the sales consultant who worked with North Collin WSC management and staff. After a detailed evaluation process, North Collin WSC selected inHANCE Financial Management Solutions to replace their current system and complement their inHANCE CIS/Utility Billing system.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
